Happy Refugee Week

19 – 25 June 2022

Join the Parramatta Diocese in celebrating Refugee Week! The theme for this year is healing. The importance of human connections has been underscored by the pandemic. Mainstream and refugee communities alike can draw upon shared hardship to heal wounds and to learn from each other. Join us in this healing through storytelling and coming together as a community.

Online Prayer Service for World Refugee Day

The Australian Catholic Migrant and Refugee Office and the Office for Justice, Ecology and Peace invite you to join at 6pm, 20 June.
